30 Day Return Policy

We stand behind the quality of all of our products. The original purchaser may return any item in its original condition and packaging for any reason within 30 days of the original ship date. We will gladly issue a credit to the original credit card covering the value of your returned items. On returns or exchanges we do not credit shipping & handling charges.

If you want to return an item we've made it so easy that you don't even need to call us.
Just follow these instructions:

- Complete the return section below.
- For prompt refund include this form with the items that you are returning.
- Please include a copy of your original order.
